Dear NYBB,

I am writing to let you know how pleased I was in doing business with your company. From the first time we had a consultation with Anthony Citrolo, my partner and I felt very comfortable and confident in him, in spite of our naivety in the process of selling our business and property. Anthony's knowledge of the process and explanation on how to proceed was clear and professional.

Anthony and Kyle were with us every step of the way and were always ready to take our phone calls and respond to emails at any time, including evenings and weekends. Our attorney and accountant were also pleased with the assistance Anthony gave during the selling process.

It was a pleasure doing business with NYBB. I have already referred another business owner to NYBB. Thank you for everything you have done for Groner Service.

Sincerely,

Salvatore Alfano
President
