

# SEEKING ACQUISITION

## OF MEDICAL/DIAGNOSTIC LABORATORIES AND ANATOMIC PATHOLOGY LABORATORIES

LISTING ID #1355

### CLIENT HIGHLIGHTS:

- Well capitalized
- Experienced investors
- Impressive executive team
- Special consideration to laboratories in Southeast and Middle Atlantic States
- No fee to prospective sellers

Our client is a well-capitalized organization with an impressive executive team that has a proven track record of success.

The company is currently focused on both Anatomic and Clinical Pathology laboratories, leveraging digital efficiency and data quality to improve business performance. They are open to exploring different ownership models to ensure alignment of interests with prospective sellers.

The company is actively seeking acquisition targets in Southeast and Middle Atlantic States.

Overall, the company presents an exciting opportunity for laboratories looking to join a well-capitalized, experienced, and forward-thinking organization with a clear vision for growth and success in the healthcare industry.
