LISTING ID #1285

CLIENT HIGHLIGHTS:

- Well capitalized
- Experienced investors
- Impressive executive team
- Interested in several healthcare verticals
- No fee to prospective sellers

REVENUE SIZE:

- \$15- 75 Million

The NYBB group has been engaged by this Client seeking to acquire companies in multiple healthcare verticals including: Urgent Care Centers, Freestanding Emergency Centers, Micro Hospitals, Ambulatory Surgery Centers, and Diagnostic/Medical Laboratories.

Our client is a team of top executives and healthcare industry experts, on a mission to consolidate these healthcare segments, and improve business performance by utilizing digital efficiency and data quality.

Our client is interested in exploring different ownership models in order to align interests with prospective sellers.

This company represents a new approach that many prospective sellers may find attractive and will enable further development and growth of their business.

The company is beginning its search in the Southwest, but they are looking at opportunities throughout the United States.
