NYBB# 1439

Available for Acquisition:
Moving and Portable Storage Company

Asking Price: \$3,950,000.00

Key Considerations

Longstanding Business

Its outstanding reputation in the industry for 40 years with both peers and the public has enabled them to maintain steady growth throughout the years.

Diversified Revenue Streams

The business offers various services, from residential and commercial moving to mobile storage solutions. The broad base of services helps stabilize revenue streams, ensuring consistent cash flow and minimal reliance on any single segment.

Robust Workforce

The business is known for its loyal and highly skilled workforce, with key employees having been with the business for over 20 years. The team is fully trained in all aspects of the moving process, ensuring high professionalism and client satisfaction.

Freehold or Flexible Lease Options

Operates from a fully-equipped facility in Metro NY, with flexible options to either purchase the property or lease it from the owner-related entity. This large warehouse has an office space, offering excellent operational and expandable capabilities.

Solid Community Ties

The business provides financial support and actively participates in events and initiatives that give back to the community. They are known for their philanthropy.

Growth Opportunities

There is significant potential for growth, both in terms of expanding services and increasing market share. The business can explore more commercial accounts or even consider merging with other enterprises to enhance its service offerings.

The business is a well-established moving and storage business that has been trusted in the Long Island/New York metropolitan area for decades. It offers various services, including residential, commercial, and international moving. Known for its excellent reputation, strong community ties, and a robust, professional workforce, it has consistently delivered high-quality service. As such, this business is ideal for a domestic or international buyer looking to swiftly establish themselves as a major player in the highly competitive moving industry.
