Business Description

Community-based supportive services provider delivering integrated care to underserved populations, including older adults, individuals with disabilities, and those with behavioral health needs. Emphasis on coordinated, person-centered delivery across home and community settings, combining clinical care and social support to improve overall well-being and long-term independence.

Its diversified platform spans behavioral health, community health, and senior care, including therapy, psychosocial rehabilitation, substance use recovery, care coordination, in-home care, overnight respite care and adult day health services. Delivered through a multidisciplinary, coordinated model.

The business is well positioned for continued expansion as demand for community-based healthcare and care coordination services grows. Serving approximately 8,100 individuals annually, with multiple licensed service lines and established managed care and referral relationships, it represents a scalable platform with meaningful growth opportunities across behavioral health, care management, and home- and community-based care delivery.
